## FMCG Coffee Partner Worldwide

## WHO WE ARE

We are a trusted coffee partner committed to providing high quality and sustainable sourcing services to our valued global customers.

Our mission is driven by integrity and innovation, and we are dedicated to creating a positive impact on global supply chains.

We are committed to simplifying the sourcing process for companies around the world. We connect our clients with the best and most reliable suppliers in Italy, ensuring complete and efficient management of their supply chains.

### **Supplier Search and Selection:**

We specialise in finding reliable and high-quality suppliers, evaluating them according to rigorous standards.

### **Production Management:**

Our dedicated team closely monitors production and quality, ensuring that delivery times are consistently met.

### **Quality Control:**

We conduct regular inspections throughout production, meticulously checking the quality of materials and finished products.

### **Our Approach:**

We are committed to working closely with our clients, fully understanding their specific needs. We create customised solutions that take into account their requirements and the unique challenges they face. Sustainability is at the heart of our approach, as we believe that business operations can have a positive impact on the environment and society.

### **How We Do It:**

Our commitment to transparency and open communication is paramount. We keep clients informed at every step of the process, providing detailed reports on the status of projects. Embracing technology and innovation, we monitor and manage supply chains, ensuring real-time updates through digital platforms.

### **Our Successes:**

We have had the privilege of collaborating with numerous successful international companies, consistently achieving outstanding results. Our clients are highly satisfied with our services, noting our ability to reduce sourcing costs and enhance quality.

### **The Future:**

As we look ahead, we are committed to pursuing innovation and continuously improving our services. We aim to expand our global partnerships, further contributing to economic and social development and advancing international supply chains.

## MISSION

The mission of YEHGS CO LIMITED is simple: to help transform the world of coffee from an ethical standpoint, driven by the commitment of those who cherish this world and aspire to enact positive change for those involved in its production, purchase, and consumption. Often, we overlook the stories behind the coffee we enjoy, and our mission is to shed light on these narratives.

## VISION

Driving Sustainable Change and Prosperity with Integrity and Innovation.

**"Our vision is an ambitious and inspiring goal, guiding the company towards a better future, both commercially and socially."**

**Sustainability:** We guide our partners towards environmental, social, and economic sustainability by promoting sustainable production and resource management practices.

**Integrity and Ethics:** We understand the significance of corporate integrity and ethics in conducting business. This encompasses respecting workers' rights, adopting decent working conditions, and adhering to high ethical standards.

**Innovation:** We foster the adoption of innovative practices and advanced technologies to enhance production processes, increase efficiency, and develop high-quality products.

**Responsible Growth:** We advocate for responsible business growth that not only generates profits but also contributes to economic and social development.

**Quality and Excellence:** We uphold a commitment to quality, innovation, and excellence in the products and services we offer, aiming to build a solid reputation and stand out in the global market.

## BRAND VALUES

Our vision is an ambitious and inspiring goal to lead the company toward a better future, both commercially and socially .

**Ethics and Justice:** We prioritise ensuring decent working conditions and respect for human rights for our employees, encompassing reasonable working hours, fair wages, and a safe working environment.

**Transparency:** We are committed to providing clear and transparent information to both employees and customers to foster trust and cultivate lasting relationships.

**Cultural Respect:** We deeply value and respect local culture and traditions, ensuring that our business operations are culturally sensitive and aligned with the needs of Italy's diverse cultural landscape.

**Diversity and Inclusion:** We strive to create an inclusive work environment that celebrates diversity and offers equal opportunities for all employees.

**Legal Compliance:** We rigorously adhere to all local and international labor, environmental, and safety laws and regulations.

**Responsible Growth:** We pursue corporate growth in a responsible manner, balancing economic objectives with positive impacts on society and the environment.

Adopting ethical and sustainable values can fortify Italy's fashion system, building a robust reputation, addressing social and economic challenges, and contributing positively to society and the environment.
